

## **NJLMN goes peer-to-peer**

Talk about public health issues, insights, and promising approaches with your peers around the state without leaving your office.

Use the new [Forum](#) to share the tools that help you deliver essential public health services better, faster, and smarter, such as:

1. Easy-to-use inspection and application forms
2. Handy checklists (for your staff, or to help educate customers)
3. Time-saving templates for brochures, emails, reports, and budgets
4. Practical policy and procedure documents and guidelines
5. Health education tools, presentations, and approaches that generate results
6. Ordinances that make life better
7. Quality Improvement experiences
8. and more!
